

Red, White, KaBOOM!

Columbus Area Chamber of Commerce in hosting the 11th Annual "RED WHITE KABOOM!" for the Columbus area on Saturday, July 3 at Columbus High School.

Your sponsorship pays for the best Independence Day firework show in the area

Showcase your business, remember a loved one, salute a soldier or simply support the Chamber of Commerce's efforts to provide Columbus with a truly outstanding fireworks show through one of several sponsorship levels.

The Red White KABOOM! committee wants to make this the best firework display in the state. YOU make this show, because whatever is raised is what will be spent on this year's show.

Jackson Services, Inc. & Ernst Auto Group has contributed to the first \$2,500 raised for the Red White KABOOM! ALL donations of every size are needed and appreciated! The Red White KABOOM! committee thanks these groups for their leadership in bringing a first-class fireworks display to the citizens of the Columbus region.

THANK YOU, in advance for making Columbus a GREAT place to work, live and celebrate our American loyalty as a community. Help us celebrate our "Red White KABOOM!"
